

OFYR BUTCHER BLOCK 45 AND OFYR BUTCHER STORAGE 45

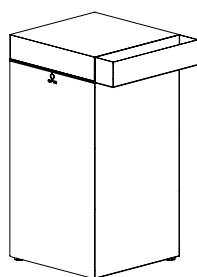

The OFYR Butcher Block 45 is an ideal companion to OFYR Classic models by having a solid chopping board for food preparation, handy accessories tray and options for under-counter wood storage. Available in Corten steel in two practical styles. The chopping board is available in rubberwood and as extra option in ceramic dark grey. After use, the rubberwood board should be stored indoors while the ceramic boards can always stay outdoors.
